Army ROTC Scholarships

Whether you're a college-bound high school student or already attending a college or university, Army ROTC has scholarships available. Scholarships are awarded based on a student's merit and grades, not financial need.

Coast Guard Scholarships

The Coast Guard admits they are very selective. They are a small military branch with just 38,000 active duty and 12,000 reserve personnel. The Coast Guard is not for everyone and everyone who is interested may not be qualified. Just like you would research colleges online or buying a home, it's important to research the decision to join the Coast Guard. By becoming a part of the U.S. Coast Guard you can find ways to pay for school, while still finishing school or just starting it. You may even qualify to earn a salary at the same time.

NROTC Scholarship (Marine Option)

The Navy (Marine Option) Reserve Officer Training Corps (NROTC) Scholarship program can provide high school and college students with most of the costs of a four-year college education and provide them with a potential career as an officer in the Marine Corps Reserve.

NROTC Scholarship (Navy, Nurse or Marine Corps)

You may start the process of applying during the second semester of your junior year of high school. Students may apply for only one of the three scholarship program options – Navy, Nurse, or Marine Corps. Before the application can be finalized and forwarded for selection consideration, you must ensure that a copy of your complete transcript, including your entire junior year, is forwarded to your recruiter.
