

SETON GROCERY PROGRAM 2011- 2012

Dear Seton Families and Friends:

Seton School currently participates in the Harris Teeter Together in Education, Giant A+ Bonus Bucks, Bloom Shopping Breeze and Safeway eScrip programs. These programs provide **CASH/GOODS** to our school based on the amount that registered customers spend each school year. **Keep in mind that each program requires re-registration for each school year. So even if you have registered for our school in the past, you need to re-register for this year.** To make things easier for you, our school coordinator will register your card numbers for you. All you need to do is fill in the information below and we will do the rest! Don't forget to recruit family, friends, neighbors and co-workers too! The more families registered, the more we can earn for our school!!! (I have listed Seton's code next to each store if you prefer to register online yourself)

Name: _____

Address: _____

Phone: _____

SETON'S CODE

HARRIS TEETER VIC#:(11 or 12 Digits) _____ / 8496
