FORM MUST BE SIGNED BY PARENT/GUARDIAN

NOTE: It is important to turn in your forms on time. If you cannot make your scheduled Guidance appointment, please reschedule as soon as possible. Students turning in forms late will lose the priority consideration normally given to their class year. Turning in forms late increases your chances of being locked out of popular (crowded) classes.

NOTE: Every effort is made to create a schedule that allows the maximum number of students to take all the classes they register for based on enrollment, teacher availability and space considerations. However, some students (particularly those turning in forms late) may be asked to make alternative selections.
